## VOLUNTEERING EXPERIENCE

Hospital Volunteer, Loma Linda Medical Center, October 2023-June 2024  
Murrieta, CA

Addressed diverse needs of patients, visitors, and nurses; supporting nurses in patient care and guiding visitors to appropriate rooms; being a compassionate listener for patients in need. Answered phones, took messages, and directed calls to appropriate staff members. Organized patient rooms, restocked supplies, and tidied up common areas.

Hospital Volunteer, UC San Diego Health, November 2024-Present  
La Jolla, CA

I currently volunteer in the postpartum unit at UCSD Jacobs Medical Center, where I support nursing staff by maintaining clean and organized patient care areas, checking in on postpartum patients to ensure their comfort and well-being, assisting with patient discharges, and restocking medical supplies. This experience has greatly deepened my understanding of maternal care.

## WORK EXPERIENCE

Employee, Yogurt World UCSD, September 2024-Present  
La Jolla, CA

At YogurtWorld, I am responsible for maintaining a clean and organized store environment by cleaning machines, sweeping and mopping the floors, and preparing toppings and fruits. I also provide customer service at the register. Over the course of my time here, I have developed strong customer service skills and was promoted within just a few months due to my performance. I have successfully balanced my work schedule with my academic commitments, working select weekdays while maintaining availability on weekends.
